The Single Statewide Point of Contact may request an extension of the comment period of up to fifteen (15) days. The Department shall consider such comments prior to the implementation of the proposed modification to the Department's Policies and Procedures. The Department agrees to not unilaterally impose on the CC Agency any fiscally adverse new and previously unbudgeted requirements which are not mandated by State or federal law, rules or regulations or court order or settlement agreement.

7. Funding Change. The CC Agency agrees that the obligations of the Department under this Contract are limited by and contingent upon legislative authorization and budget appropriations. If, during the Contract Term, the appropriations which fund performance under this Contract are not made or are repealed or reduced by actions of the Legislature or otherwise, then the Department shall notify the CC Agency which services shall be performed by the CC Agency. If the CC Agency makes a determination that additional changes in required services are necessary because of the lack of funds, the CC Agency may, within thirty (30) calendar days, present a proposed plan to the Department for modifications in required services, and the Department will respond within thirty (30) calendar days to such a proposed plan in making its final decision on the services to be performed.

8. Payment.

8.1 Advance Payments. After executing this Contract but no sooner than January 5 and up to two months thereafter, the Department shall make payments on the fifth day of each of those months in an amount based on one-twelfth of the total or one month's estimated operating expenses to the County, except for direct reimbursement programs as outlined in the DWD Community Aids Reporting System (CARS) Accounting Reports Manual or other system as designated by the Department. 8.5 Payment Adjustments.

8.5.1 Payment Adjustments During 2002. The Department may reduce, withhold, or recover payments to the County if the CC Agency fails to satisfactorily perform its responsibilities under this Contract, or if the Department determines that the Department has reimbursed the CC Agency erroneously. The Department may assert a claim for recovery from the CC Agency at

any time the Department is subject to recovery by the federal government. The Parties shall negotiate the timing and payment schedule of any adjustments.

8.5.2 Payment Adjustments for Prior Year Accounts Receivable (Payments Made to the Agency When the Contract Was Not Fully Expended). The Department may decrease or delay the payment when the County does not refund monies that the Department paid to the County pursuant to the prior year Contract between the Department and the County and that the County has not spent or encumbered by the end of the contract period, unless otherwise notified.

8.5.3 Payment Adjustments for 2002. By March 30, 2003, the County will inform the Department that it will refund to the Department by April 30, 2003, any funds received pursuant to this Contract that are unspent or unencumbered prior to January 1, 2003. If the County does not provide a refund check, the Department will adjust funds as part of the contract year reconciliation process.

8.5.4 Advance Notice. The Department shall provide thirty (30) days notice to the County when an increase, decrease or delay in payment will be made as a result of actions taken under paragraphs 8.5.1, 8.5.2, or 8.5.3 under this Contract. The Department will schedule a conference to resolve the issue which gave rise to notice before the imposition of the decrease or delay. The County may pursue its right to appeal the Department's decision as provided by Article 13 of this Contract after the imposition of the decrease or delay or if Parties agree there is an impasse.

8.6 Audit Adjustments.

8.6.1 Audit Adjustment Determination. If the Department determines, pursuant to an audit under Section 11, that there is an error in the County's fiscal and service records for this Contract or previous contracts an adjustment will be made. The Department shall limit the increase or decrease to the audited error and shall confer with the County before increasing or decreasing the monthly payment for this Contract. The parties may negotiate the timing and amount of the adjustment at the County's request.

8.6.2 Advance Notice. The Department shall provide thirty (30) days notice to the County when a decrease or delay in payment will be made as a result of the agency's failure to perform the responsibilities under this Contract. The Department will schedule a conference to resolve the issue which gave rise to notice before the imposition of the decrease or delay. The County may pursue its right to appeal the Department's decision as provided by Section 13 of this Contract after the imposition of the decrease or delay or if Parties agree there is an impasse.

9. Records, Reporting, Monitoring and Security.

9.1 Records Maintenance. The CC Agency shall comply with the records, reporting and monitoring requirements of the Department's Policies and Procedures. The CC Agency shall maintain such records, reports, evaluations, financial statements and necessary evidence of accounting procedures and practices to document the funding received and disbursements made under this Contract. The CC Agency shall provide information in a form and manner prescribed by the Department, using the CARES system and other systems designated by the Department.

9.2 Records Availability. Upon request, the CC Agency shall make records available to the Department for inspection. Upon ten (10) business days notice from the Department, the CC Agency further agrees to transfer to the Department any original or copy of records that the Department requests during or after the Contract Term. The CC Agency shall use the schedules for record retention in accordance with the Department's Policies and Procedures and State and federal law.

9.3 Open Records Law Applicable. The CC Agency acknowledges the applicability of the Wisconsin Open Records Law, Wisconsin Statutes sections 19.31-19.39.

9.4 Confidentiality of Records. The CC Agency agrees to comply with the applicable federal and State laws, rules and regulations concerning confidentiality of records as specified in the Department's Policies and Procedures.

10. On-Site Visits. The Department may conduct such on-site visits as the Department deems necessary to determine the CC Agency's compliance with this Contract.

11. Annual Audit. The CC Agency agrees to provide an annual audit in compliance with all relevant provisions of the Department's Financial Management Manual, Provider Agency Audit Guide and State Single Audit Guidelines.

11.1 Single Audit Requirement.

11.1.1 Hiring an Independent Auditor. The County shall hire an independent auditor to conduct a Single Audit pursuant to OMB Circular No. A-133 (Revised August 1998), Department of Administration Audit Guide and audit guidelines established and provided by the Department. The Audit shall be completed and a report submitted to the County no later than nine months following the close of the Contract Period. The County shall incorporate by reference in the engagement letter (contract with the independent auditor), OMB Circular No. A-133, any federal and state audit guidelines, and this contract.

11.1.2 Technical Assistance. The Department agrees to provide technical assistance to the County that may include providing the independent auditor with financial information from Department records, work papers, and draft audit report review and attendance at conferences.

11.1.3 Submitting the Single Audit Report. The County agrees to provide to the Department one copy of the resultant audit report including the management letter, responses, and any supporting documentation required by the Department within thirty (30) calendar days after receipt of the auditor's report by the County, or no longer than nine (9) months following the close of the Contract Period, whichever is less. The County shall submit one copy of the certified annual audit to the Audit Coordinator, Department of Workforce Development, 201 East Washington Avenue, P.O. Box 7935, Madison, Wisconsin 53707-7935. The audit report shall be made up of at least the following, based on OMB Circular No. A-133: (a) the auditor's report on financial statements; (b) a schedule of federal and state assistance; (c) the financial statement; and (d) a schedule of federal and state grants by program including: program disbursements; program revenues; net variances to be resolved; the auditor's report on the study and evaluation of internal control systems; the auditor's report on compliance including the specific identification of questioned costs, audited adjustments, audit exceptions and the Management Letter.

11.1.4 Notification of Receipt of the Single Audit Report. The Department shall notify the County within ninety (90) calendar days of receipt of the Single Audit completed by the independent auditor, whether or not the audit meets the requirements of the Department's audit guidelines. If the Department does not notify the County within ninety (90) calendar days, the audit is automatically considered to meet the Department's audit guidelines. The Department will initiate resolution of audit findings with the County within sixty (60) days following notification of the audit's acceptance. With the exception of Federal audits, if the audit is complete and accepted by the Department, the Department may not perform any additional audits and audit exceptions may not be taken other than those taken on the basis of the findings in the accepted audit. Any additional examinations shall build upon the work already done. There will be no charge for the Department initiated examinations.

11.2 Department Reviews.

11.2.1 Financial and Compliance Review. In the event that the Department determines that a financial and compliance review is necessary and the Department conducts a financial and compliance review, it will include the examination of financial records maintained by the County. Reviews may be conducted in situations including but not limited to evidence of or cause to believe inaccurate reporting, identification by state or federal agencies of claim disallowances. The review shall be conducted in accordance with Department procedures. This review will not meet the requirements of the Single Audit Act for the County.

11.2.2 Review Scheduling. The Department shall schedule a mutually agreed upon entrance date with the County with at least a ten (10) calendar day advance notice.

11.2.3 Review Report. The Department agrees to provide the County with a copy of the resultant report, management letter, and supporting documentation upon completion of the financial and compliance review.

11.2.4 Draft Review Report. The Department agrees to complete all draft review reports of the County within twenty-five (25) months of the expiration date of the Contract Period to be reviewed. The time limit for submitting a draft review report to the County may be extended in unusual circumstances.

11.2.5 Multi-County Agencies. If a multi-county agency has been audited and the audit meets the guidelines of the Department, the Department shall accept the multi-county agency audit in any review of a constituent county or counties of the multi-county agency.

11.2.6 Independent Financial and Compliance Review. The Department reserves the right to conduct an independent financial and compliance review of the IM Agency if the County fails to secure a Single Audit covering all Department funds. In the event that the County fails to secure a Single Audit, Department costs for completing a financial and compliance review will be charged back to the County.

11.2.7 Additional Review Resulting from the Loss of Federal Funds. The Department may conduct an additional review if a County action not identified in the Single Audit results in the loss of federal funds. This additional Department review will determine if an audit exception is appropriate.

11.3 Audit Disallowance.

11.3.1 County Liability. The County shall be liable for the entire amount of the audit adjustment attributed to the County. The actual amount of a disallowance against the County shall be determined through the Department's Policies and Procedures.

11.3.2 Fiscal Sanction. No fiscal sanction under this section shall be taken against the County unless it is based upon a specific policy which is: (a) effective during the time period which is being audited, and (b) communicated to the County department head or designee in writing by the Department or the federal government prior to the time period audited. No state audit adjustment shall be imposed for sixty (60) calendar days after the date the County receives written notice of the requirement. The sixty (60) calendar day hold-harmless period is not required if (a) the State has been assessed a federal fiscal penalty because federal law and regulations or court order mandated the requirement and held the State to a more restrictive time period, or (b) the requirement is the result of state law and administrative or court order that imposes a more restrictive time period and the imposition of a state fiscal penalty. These conditions in no way negate the County's responsibility to implement policies by their effective dates.

12. Corrective Action.

12.1 Opportunity. The CC Agency may submit a Corrective Action plan to address noncompliance with the provisions of this Contract.

12.2 Requirement to Submit. Within five (5) business days of receipt by the CC Agency of notice of failure to perform any provision of this Contract, the CC Agency shall submit to the Department for approval a Corrective Action plan to address the deficiency.

12.3 Failure to Submit or Implement. A failure by the CC Agency to submit an approvable Corrective Action plan or a failure by the IM Agency to implement a Corrective Action plan within ten (10) business days of approval of the Corrective Action plan by the Department shall constitute uncorrected nonperformance and result in a payment adjustment under section 8.5 of this Contract. A Corrective Action plan is considered approvable if it is determined by the Department that the plan was submitted timely and meets all of the requirements identified by the Department in the Department's notice under section 12.2 of this Contract.

13. Disputes. The County's sole and exclusive method of resolving any dispute or controversy arising out of or relating to this Contract shall be the complaint process provided in this section. The County may address a written complaint to the Chief Legal Counsel of the Department at the following address:

Department of Workforce Development Chief Legal Counsel, P.O. Box 7946, Madison, Wisconsin 53707-7946. At the same time the complaint is filed with the Department's Chief Legal Counsel, the complaint also may be filed with the IM Advisory Committee (with notice to the Chief Legal Counsel) for the Committee's consideration. The IM Advisory Committee may consider the complaint no later than at its next regularly scheduled monthly meeting. If the complaint is not filed with the IM Advisory Committee, the Chief Legal Counsel shall respond in writing within fifteen (15) business days or as soon as possible to resolve the complaint. If the complaint is filed with the Committee, the Chief Legal Counsel shall respond within fifteen (15) business days of receipt of the IM Advisory Committee's recommendation or as soon as possible to resolve the complaint. If the Chief Legal Counsel is unable to respond to the complaint within fifteen (15) business days, the Chief Legal Counsel will notify the Agency within the fifteen (15) business days of the date by which a response can be expected. If either the County or the Department's Contract Manager is not satisfied with the response, either the County or the Department's Contract Manager may request a review of the response by the Wisconsin Division of Hearings and Appeals. The decision of the Division of Hearings and Appeals shall be sent to the Department's Secretary. The Secretary or designee shall respond to the complainant in writing within ten (10) business days of receipt of the Division of Hearings and Appeals decision.

14. General Provisions.

14.1 Contract Amendment. This Contract may be amended at any time with the mutual consent of the Parties through Contract Addendum or with the signature of the Department through Contract Supplement.

14.2 Inability to Perform. The CC Agency shall immediately notify the Department whenever the CC Agency is unable to provide the required services specified under this Contract. Upon such notification, the Department shall determine necessary action.

14.3 Severability. If any provision of this Contract is found to be illegal, unenforceable, or void, then the remainder of this Contract shall remain in effect.

14.4 Non-Assignability. Except as provided in section 5.4 of this Contract, the CC Agency may not assign this Contract or any portion of the services to be provided under this Contract to another person or party without the prior written consent of the Department.

14.5 Waiver. No right under this Contract shall be deemed waived unless either Party, by certified mail, sends to the other Party written notice of waiver of that Party's right. No provision of this Contract shall be deemed waived by reason of either Party failing to enforce the provision on one or more occasions.

14.6 No Employment Relationship. It is understood, intended and agreed that this Contract shall not be construed to create an employer/employee relationship between the Department and the CC Agency.

14.7 Hiring of State Employees. The CC Agency will not engage the services of any person now employed by the State to provide services under this Contract without the prior written permission of the Department.

14.8 Civil Rights Compliance Plan. The CC Agency shall submit its Civil Rights Compliance Plan ("CRC Plan") within thirty (30) calendar days of the County signing this Contract.

14.9 Non-Discrimination Policy. In connection with the performance of work under this Contract, the County agrees not to discriminate against any employee or applicant for employment because of national origin, age, race, religion, color, disability or association with a person with a disability, sex, arrest or conviction record, sexual orientation, marital status, political affiliation, military participation or use or non-use of lawful products off the employer's premises during non-work hours. This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; lay-off or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The County agrees to post in conspicuous places, available for employees and applicants for employment, notices to be provided by the Division's Equal Opportunity Officer setting forth the provisions of this non-discrimination policy.

14.10 Equal Opportunity in Service Delivery and Employment. The Agency agrees that the Agency, its Agency Service Providers and their subcontractors will comply with guidelines in the Civil Rights Compliance (CRC) Standards and Resource Manual for Equal Opportunity in Service Delivery and Employment (1999 Edition or its replacement).

14.10.1 Compliance of Subcontractors. Requirements herein stated apply to any subcontractors. The Agency has primary responsibility to take constructive steps, as per the CRC Standards and Resource Manual to ensure compliance of subcontractors. As part of this responsibility, the Agency will require its subcontractors to develop and submit for approval a Civil Rights Compliance Plan. Where the Department has a direct Contract with a community agency or vendor, the Agency need not obtain a Subcontractor Civil Rights Compliance Action Plan or monitor that agency or vendor.

14.10.2 Monitoring the Agency's Compliance. The Department will monitor the Civil Rights Compliance of the Agency and will review that the Agency is ensuring compliance of its subcontractors in compliance with guidelines in the CRC Standards and Resource Manual. The Agency agrees to comply with Civil Rights monitoring reviews, including the examination of records and relevant files maintained by the Agency, as well as interviews with staff, clients, applicants for services, subcontractors and referral agencies. The reviews will be conducted according to Department procedures, through a Department determined monitoring schedule and/or to address immediate concerns of complainants.

14.10.3 Agency Cooperation. The Agency agrees to cooperate with the Department in developing, implementing and monitoring corrective action plans that result from complaint investigations or other monitoring efforts.

14.11 Debarment Certification. The County certifies that neither the CC Agency nor any of its principals are debarred, suspended, or proposed for debarment from federal financial assistance (e.g., General Services Administration's List of Parties Excluded from Federal Procurement and Non-Standard Programs). The CC Agency will obtain certifications from subcontractors stating that neither the subcontractors nor potential sub-recipients, contractors, or any of their principals are debarred, suspended or proposed for debarment. (See Appendix B to be signed and returned with this Contract.)

14.12 Lobbying Certification. The County must sign and return with this Contract, the Certification regarding Lobbying (see Appendix C) or the Disclosure of Lobbying Activities (see Appendix D).

14.13 Indemnification. The County agrees to indemnify and hold harmless the State and all of its officers, agents and employees from all suits, actions or claims of any character brought for or on account of any injuries or damages received by any persons or property resulting from the negligence, misconduct, or breach of confidentiality by the CC Agency, or any of its agents, employees or subcontractors, in performing the terms and conditions of this Contract. The County agrees to indemnify and hold harmless the State and all of its officers, agents and employees from all suits, actions or claims of any character brought for or on account of any obligations arising out of agreements or contracts between the CC Agency and any of its subcontractors or vendors to perform services or otherwise supply products or services. The Department acknowledges that the State may be required by section 895.46(1) of the Wisconsin Statutes, to pay the costs of judgments against its officers, agents or employees, and that an officer, agent or employee of the State may incur liability due to negligence or misconduct. In the event of a lawsuit challenging the validity of the State's CC Program policies and procedures, the Department will defend such lawsuit.

14.14 Pro-Children Act. Since a portion of the funds under this Contract includes federal funds, the Agency agrees to comply with Public Law 103-227, also known as the Pro-Children Act of 1994. The law requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18. Notice for any other purpose may be sent by regular mail or courier service. Either Party may change its address by notifying the other Party in writing of the change. Any notice or demand delivered by mail shall be deemed delivered two (2) business days after mailing as provided above.
